SPECIFIC Contact Report - KIBITZ-150

Ref: EGFA-934

1. A meeting was arranged by [] and the undersigned with KIBITZ-150. It took place as scheduled in Bruchsal, Hotel Friederichshoff, 1900 hours, 12 March 1953.

2. KIBITZ-150 stated that he is willing to sign a contract with us immediately but that this should be done as soon as possible so that he can give his present employer the necessary thirty days notice prior to resigning. His present contract expires 31 March 1953.

3. He asked if we had any further news as to whether the operation was to continue, stating that the W/T'ers want to complete their training as soon as possible and are becoming somewhat restless and stale. I said I had no more news and could not state definitely whether the operation would continue.

4. KIBITZ-150, stressing the urgent need for our operation, stated that Stalin's death can only heat up the cold war and cited as an example the recent air attacks on Allied planes which he says was plotted in the Kremlin. We concur in his belief that work on this project should be resumed soonest.
